The Crucible

'Because it is my name! Because I cannot have another in my life! Because I lie and sign myself to lies! Because I am not worth the dust on the feet of them that hang! How may I live without my name? I have given you my soul; leave me my name!'

The Crucible is an old-fashioned play, exalting old fashioned grace under fire, with plenty of sizzling emotions on display.

Come and experience the Concert Hall as it has never been seen before. An intimate stage space in its heart will be created for this intense, traverse production. The mood of the evening will be enhanced by the atmospheric singing of the choir. The cast never leave the space in an innovative and thought-provoking production of Miller's classic story. Witchcraft, love, betrayal and a community in crisis lie at the heart of this gripping tale. See for yourself how the students tackle this rousing ode to the common man.
