

Assessment Criteria for Mathematics – AS and A2

Effort Grades

Meeting Deadlines	Is homework always handed in on time?
Independent Research	Have I made enough effort with the past papers, on my own?
Written Work	Are my solutions clearly explained and well presented?
Participation in Class	Am I contributing to class discussions? Am I willing to ask questions that go beyond the topic being taught?

Grade descriptors

1	Consistently excellent	For outstanding effort only
2	Very Good	For effort beyond normal expectations
3	Satisfactory	For effort consistent with the minimum requirements. There is probably room for improvement here.
4	Unsatisfactory	For poor or inconsistent effort. There is an urgent need for attention here.
