

JOB TITLE: TEACHER OF GEOGRAPHY - FULL-TIME OR PART-TIME

REIGATE GRAMMAR SCHOOL INFORMATION FOR CANDIDATES

Role commences: September 2026

REIGATE GRAMMAR SCHOOL

Alderman Henry Smith founded Reigate Grammar School in 1675. For over 345 years, young people have been educated on the same site, in the heart of Reigate, an historic market town in the east of Surrey at the foothills of the North Downs in an area of outstanding natural beauty.

RGS is a leading HMC independent co-educational day school. It is a highly successful, happy and exciting school, which aims to provide a broad and balanced education to boys and girls that will prepare them for the modern world. The school song, *To Be a Pilgrim*, reminds our students that they are on a journey of noble purpose, to have an impact and to make the world a better place. We aim to educate the whole child and offer a broad range of experiences for all. We are an inclusive school and, built upon the vision of our founder, are committed to social mobility and the provision of bursaries through wider access and a supportive Reigatian community.

“Happy Kids Great Results” Good Schools Guide 2019

Reigate Grammar School caters for over 1050 students aged 11 to 18. Another 600 students are educated at Reigate St Mary's Preparatory and Choir School and Chinthurst School, RGS's junior and nursery schools – both recently shortlisted for UK Independent Prep School of the Year. RGS offers the very best academic education with equal prominence placed on the arts, sport and a rich extra-curricular programme. RGS has a distinctive educational philosophy and a strong ethos of pastoral care underpinning a well-rounded education. The House system has some clearly defined aims: for everyone to feel part of a team; to allow leadership to be nurtured; talent to shine; confidence to surge; teamwork to flourish; and competitive spirit to develop. In the school's academic culture of intellectual freedom, the structure of the curriculum means that students receive a strong grounding in core subjects but can elect to pursue any area of interest. In the elective curriculum, one student may learn to trade stocks while another deepens their understanding of French literature. It is a challenging and balanced education, equipping students for the opportunities and demands of their future lives and allowing them to explore their personal passions.

The first line of the school's most recent ISI report asserts that 'the quality of the students' achievements and learning is exceptional': the first co-ed day school to achieve this rare accolade. RGS' approach to teaching and learning melds expert teaching knowledge with a modern, innovative approach to pedagogy with a judicious use of technology. Inspirational and personalised teaching and learning is at the centre of the vision and requires expert teachers. The school is one of a small number of world-class schools to have been a global pioneer in High Performance Learning, focusing on the development of global citizens, advanced performers and enterprising learners.

Outcomes at RGS are world-class, with 90% of GCSE entries graded 9–7 in 2025. A Level results remain outstanding, with 95% of entries awarded A*–B. This year, 98% of applicants received offers from top universities, including Oxbridge, Russell Group institutions, and leading medical schools.

Reigate Grammar School has been named The Sunday Times' Independent Secondary School of the Year 2025, following on from being awarded Independent School of the Year 2024 by Education Today. We are also featured in the Tatler School Guide 2025 as one of the top schools in the UK, and were again recognised in the Sunday Times Parent Power league tables as the best co-educational day school in the Southeast.

In addition to academic success, our broader educational impact has been widely acknowledged. In 2025 alone, we were finalists in national awards for Mind & Mental Health, Charitable Work, Diversity, Equality, Inclusion & Justice, and Headteacher of the Year. We were also shortlisted for Independent School of the Year by the TES School Awards 2025.

In 2024, we were proud winners of the Private Education Award for Most Nurturing School, and finalists for Contribution to Social Mobility, Best Learning Support, and Innovation in Education.

Shaun Fenton, Headmaster, recognised as one of the UK's outstanding educational leaders, was elected Chairman of HMC in 2018–2019 and was awarded an OBE by Her Majesty the Queen for Services to Education.

JOB DESCRIPTION

The Geography department at Reigate Grammar School is well established and the subject is highly popular at both GCSE and A Level. The department comprises seven full-time members of staff, each teaching throughout the school from Year 7 to Year 13. The department prides itself on its warm working environment to which everyone contributes. Teaching is principally in the dedicated geography classrooms, each with an smartboard and all students have their own digital device. Extensive shared resources and workspaces are provided in the central and nearby geography staff room. Each department has its own IT advocate who works alongside the Head of Department to promote the use of technology.

Geography is taught as a core subject in Years 7 and 8, and as an option for GCSE and A Level. Years 7 and 8 use our own workbooks produced in the department covering a range of topics and skills.

Teaching of the GCSE begins in Year 9, a reflection of the high calibre of students at RGS. The three-year GCSE programme also allows excellent opportunity for academic enrichment as well as extensive support and intervention for those who need it. The GCSE syllabus is AQA Geography A (8035) with five sets in Year 9, Year 10 and Year 11. Set sizes vary from around 20 students in junior classes and typically between 15 and 20 in GCSE classes.

We cover the AQA GCE A Level course (7037). There are currently two sets in both the Lower and Upper Sixth Forms (Years 12 and 13) with set sizes varying from seven to sixteen. Teachers can usually follow their particular subject specialisms at Sixth Form level, with the teaching broadly divided into human and physical topics.

All geographers contribute equally to the teaching of coursework and delivery of fieldwork opportunities, including residential trips. Recent visits have included Iceland, Norway with plans in the pipeline for a trip to Japan. In addition, we visit Cuckmere Haven, London's Olympic site, Battersea Power Station, and our local area which is rich in fieldwork opportunities.

Results at both GCSE and A Level are impressive. In 2024, 79% of GCSE grades were awarded level 8/9 and at A Level, 84% were A/A*. The department has also scored particularly well in terms of "value added" between GCSE and A Levels. Every year a high proportion of RGS students apply to read Geography at university with as many as a third of students studying the subject choosing to continue with it into higher education.

Geography staff contribute extensively to the extra-curricular programme which includes Sport, Duke of Edinburgh, a Senior Geography Society and a Missing Maps Club, as well as delivery of enrichment opportunities through the electives programme.

The successful candidate will be a graduate of a good university, able to demonstrate a sound subject knowledge, high academic standards, and an ability to enthuse pupils of all ages. A particular interest in human geography and A Level teaching experience would be welcome but candidates with other interests and experience should not be deterred from applying. Any particular interest in geographical enrichment including clubs for different age groups would also be welcome. The post would suit a newly qualified entrant or a more experienced teacher both with the ability to teach A level Geography to very able students. Full induction to QTS is provided.

All staff are actively involved in the co-curricular life of the school, and we encourage staff to share their passions with our pupils. Applications are especially welcome from staff who can support with one of our key areas: Outdoor Education (including DofE, CCF and Adventure Sports), Sports, or MUN, Public Speaking and Debating. We also welcome applications showing a commitment to lead and contribute to other specific areas of our extensive co-curricular programme, or to introduce new activities.

There is the opportunity for a combined responsibility in both geography and sport for candidates with a passion and aptitude in both. In addition, a promoted leadership role in the academic or pastoral structure of the school would be available for the right candidate.

We believe in equal opportunity for everyone, irrespective of age, disability, gender, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sexual orientation or socio-economic background. Candidates will be assessed against relevant criteria only (i.e. skills, qualifications, abilities, experience) in selection and recruitment. We know that more diverse teams are stronger teams, and that the more inclusive we are, the more our staff and pupils will feel a sense of belonging and will thrive.

APPLICATIONS

Applicants are asked to complete the Teaching Application Form and Supplementary Form (which are also available on our website) and send them with a supporting statement addressed to the Headmaster as soon as possible and by Tuesday 5 May 2026, 9.00am at the latest. Please do not send a separate curriculum vitae. Applications will be considered in the order in which they are received, and the school reserves the right to make an appointment prior to the closing date. Shortlisted candidates will be invited for interview.

Within your application letter we would be grateful if you could indicate where you saw this position, whether it was from the TES or another source.

Applications should be addressed to The Headmaster and sent (by letter or by email) to the address below.
